

Next Meeting is May 8:

- BUCKET Sale  
bring lots of quarters!
- Scissor Sharpening
- bring \$2 - surprise

## Sagebrush Quilt Guild

**President: Lorraine B.** Hi everyone: For a brief shining moment there I thought Spring had finally kicked in....then the clouds rolled back in. The positive side is more time for quilting and less time cleaning up outside. A reminder you can have your scissors and knives sharpened at the meeting on Monday - \$5 a pair. The final 9 by 9 President Block challenge will be available on Monday - assuming I make the samples by then! We also have our BUCKET sale, so collect all those quilty bits and pieces you thought you needed and then realized you already had 2 or 3 of them and bring them to the sale. ALL proceeds go directly to supporting the guild. You can make up a package if you have enough items or we will be happy to create packages at the start of the meeting. Don't forget to bring your quarters! If you already know what quilts you would like to register for the show, please fill in the form available on our website...I will bring some extra to the meeting. A reminder we still need people on the executive for next year. I am sure the committee will be asking for your help at the meeting. If we do not have an executive...we do not have a guild.... sorry to end on this negative note. Have a great weekend everyone, see you on Monday.

**Penny S.:** After contacting all the nominees for executive positions, we now have a vice president but we still require a secretary, e-blast technician, program and workshop person and someone to do membership. If you are interested in any of these positions please contact Penny at 250-372-1896 or Carole at 374-0925.

**Community Projects: Geri B.** A huge "Thank you" to everyone who helped make our 9-Patch Surround Blocks. Many of you did so, and I really appreciate your support. I have made the second red quilt this week and think that's enough of them for this year. In total, we have made five of those.

It has been successful enough to carry on next year. Let's think about what color is most prominent in our stash and MAYBE we can use that color!!!!

### Workshops: Sandy M.

Happy Spring To all of you!!

Doreen F. and I have planned to combine a couple groups that I have been organizing and to include all our guild members to join us! Bring anything that you want to work on, it's like a *Quilt till You Wilt*, but a shorter day. Our first day:

- Saturday, May 13
- 9 am - 4 pm
- Kamloops Seniors Village
- on the lower floor in the Multi-Purpose Room.

Come in the front doors and sign in, drop off your supplies and go park your car in the parking lots at the right side of the complex as you look at the front of the building, please make sure that you don't park in a reserved spot. Also, please note that if you are handicapped, there is parking near the front of the building for you! Make sure to bring your lunch, and I am **not** wanting you to bring a shared snack, as this is a shorter day and we do that for regular QTYW's, classes and retreats only! A huge thanks to Doreen for booking the room for us!

I have heard that there is no one to continue Workshops yet!!

I have done my 2 years and I can help someone with planning the next year!!

Please consider to help the guild and volunteer to do **WORKSHOPS PLEASE!!**

We don't want to miss our fun days with QTYW's and awesome classes, do we??

Please help us!!

Any questions, please email me!

Happy Quilting, Sandy
