

# SAGEBRUSH QUILT GUILD

NEXT MEETING:  
MONDAY, OCT. 26, 2015

## PRESIDENT'S WORDS OF WISDOM - Julie

Boy this month is flying by! I have to get on this the day after the business meeting because I fly out Friday for a week in Nova Scotia. I have just a few reminders for all of us (yes myself included) before the program meeting October 26th.

First off this will be the budget meeting as well as the day we vote on a new banner. For those of us in the block exchange please remember to bring Geri Lou's blocks in for her. I will have mine ready to hand out then. I am finally finishing up the blocks from last year's exchange and I'm tickled pink with the ones I was given. It made me really think about the ones I had to make to add to them. The final work will be done at retreat so no wine for this girl until I'm done so I don't gum anything up. I look forward to seeing all of you on the 26th.

### MEMBERSHIP

*Ann G.*

58 returning members  
4 lifetimers  
3 newbies  
= 65 members-to-date

### QUILT OUT

30: Quilt Out

### FRI. AM QUILT-INS

*Joyce W.*

Oct. 23: Sherrie R.  
30: Quilt Out  
Nov.13: Sherrie R.

## WORKSHOPS

**Sandy M. and Lorraine B.**

We had a very successful QTYW on Saturday, October 17. We had 15 quilters who came for most of the day and then a great pot luck dinner that 8 or 10 participants enjoyed.

It was such a fun day that we are looking into a day in February and April for two more QTYW days this year. We are just waiting for confirmation for those dates and we will let you know soon hopefully.

Please sign up soon for Dianne's class on Shaded Borders coming very soon on November 21 at TRU, FROM 9am to 4pm, but remember, if you take the class, you can stay until 9pm that day, to work on your projects a bit longer. There has been some talk about ordering pizza for dinner. I have room for about 7 spots, and if we get 5 more, everyone gets \$5 back!! If I don't get enough students from our guild, I may have to open it up to other guilds.

***Please contact Sandy as soon as possible to sign up!!***

Also, stay tuned for Linda's class on February 6 and 7, the subject soon to be announced.

Please remember, that workshops are organizing classes and QTYW's, are for your enjoyment, learning, and friendship! Please take advantage of participating because if you support the activities that we plan, more will come!!

## COMMUNITY QUILTS

**Loy H.**

I have over 50 quilts to deliver to RIH. Thanks everyone!! Update for November's Community Quilt Day, The second Wednesday is Remembrance Day so we are rescheduled at Katja's for November 18th. Hope to see you there See you on the 26th

*This beautiful 'quilted' homemade cake was baked and decorated by Mary A.'s daughter. A fitting dessert for our Quilt 'Til U Witt.*

## PROGRAM FOR OCT. 26

**contact: Leslie W.**

### SEW A PEDAL POUCH

You will make a nonslip pouch for your sewing machine foot pedal. It will prevent your pedal from scooting around on the floor while you sew.

#### Bring to Monday Oct 26th meeting:

- Your sewing machine pedal (only the pedal)
- Two 2 3/4 inch strips of busy sewing themed fabric or just a busy print. press in half along length
- open and press each side to the centre press line press sides to centre again. (you have made a single fold bias tape - without the bias).

•Five or six sewing machines will be set up for your use.

•But, feel free to bring your own if you wish.

•Program will provide the black non-stick material.

•Commercial double fold bias tape will be available if you prefer.

## HOW TO MAKE A QUILT:

STEP 1 - Remove cat from cutting board.

STEP 2 - Lay out fabric to be cut.

STEP 3 - Remove cat from fabric.

STEP 4 - Cut and sew pieces into a quilt top.

STEP 5 - Remove cat from quilt top.

STEP 6 - lay backing fabric out on table.

STEP 7 - Remove cat from backing fabric.

STEP 8 - Smooth out any wrinkles in backing fabric and tape down.

STEP 9 - Repeat step 7.

STEP 10 - lay batting onto quilt back and smooth out wrinkles.

STEP 11 - Remove cat from batting.

STEP 12 - Arrange quilt top over backing and batting.

STEP 13 - See step 5.

STEP 14 - Baste top, batting, and back together.

STEP 15 - Remove cat from basted quilt.

STEP 16 - Hand or machine quilt at your leisure.

STEP 17 - Remove cat from finished quilt... nah just let her stay there!
