Message from our President

Julie

Wow! We have a lot going on lately don't we. I filled out the UFO list and ran out of room! I didn't even get any of the "I have to start this someday" projects on there. I added one more thing to the list. I put in what stage I hoped to get to on some of the longer items. I figured it's only January. I don't want to be so ambitious that I'm tired out by February.

Show and tell was amazing last time. Keep up the good work because I can use all the inspiration I can get. Please remember to figure out the circumference measurement of your projects. The place mat project sounds like such fun. I am really looking forward to it and hope to see lots of you there and great things accomplished by all.

Place Mat Project January 25, 2016 - Program Night

You will love this quick place mat which looks much more complicated than it really is.

Please bring:

- 4 coordinated fat quarters each cut to 20" X 14" - pressed.
- 4 pieces of batting roughly 19 1/2" X 13 1/2"
- Backing, cut into 4 pieces measuring 23" X 17" - should look good on the front as it will be a wrap around binding (if you prefer to do a separate binding cut backing roughly 19 1/2" X 13 1/2").
- Sewing Machine and usual sewing supplies.
- Ruler, mat, and cutting supplies (you might want to share this with several people).
- Thread for sewing as well as quilting in the ditch (walking foot useful if you get this far).

Call Leslie at 250-828-2321 or email at plants444@gmail.com if you have any questions.

Spring Retreat March 16-20
