

SAGEBRUSH QUILT GUILD

NEXT MEETING:
MONDAY, APRIL 11, 2016

Minutes available on
line under "meetings"

PRESIDENT'S WORDS OF WISDOM - Julie

Boy what a short interval this seems to be. It could be because Carl and I have taken advantage of the unseasonably warm weather to do some of the heavy yard work, some of which has been on my "to do" list for a couple of years now. Sounds remarkably like my UFO list actually. The UFO list is slowly but surely being accomplished but since most of mine are along the line of "finish up to X point" I have little yet to show you.

There are several things we will be discussing at guild this time, the first and uppermost item being the striking of a nominating committee. Secondly we need a discussion on possibilities for improving our long term financial situation. So I do hope you have all had your thinking caps on and are ready to bring forth suggestions and take part in a hopefully lively and healthy discussion. See you all there Monday. I must remember it's my turn to bring treats. Any requests?
