#### President – Lorraine

Hi Everyone!

We are starting to add events to the winter/spring schedule, so if you have any ideas let us know! Would you like to do a trunk show? Maybe get together with a partner and each show some quilts that tell your quilting story?

Have you read a good book lately and want to let the rest of us know about it? Bought a new tool or gadget we all should know about? It can be as short as a couple of minutes, or as long as the entire meeting....just let me know and I will schedule you in. The Row and Round Robins have begun their journeys and the 9 by 9 tops/quilts from the BOM I ran last year will be on display at the meeting on Monday.

It seems winter gave us a blast and then retired north for a while, so I have not been doing much quilting lately, how about you? As my children get older (did you hear that we now have an employed elder child?) it seems we just stay busy, but for different reasons! I hope you are fitting in some quilting time. See you all at the last meeting before our Christmas Social, and then it is on to 2018!

Please mark your calendars for a free day of quilting at Kamloops Seniors Village on Hugh Allan Drive. The next dates are Nov 25, Dec 9, and Jan 13 and Feb 10 from 9am to 4 pm. Bring your lunch and your extension cords along with all your sewing supplies and come to sew for the full day or part of the day!!

Hope to see you there, many thanks to Doreen for booking it for us!!

Any questions call or email me please

**Quilt Show Report – Julie O.**

Almost done! We have gotten a table at the St Ann's craft sale on the 25<sup>th</sup> of this month to sell some more of our sale table products. Thank you to Monica for arranging this for us.

Remember that the raffle quilt draw is going to be the 27<sup>th</sup> at our meeting and some lucky person will walk away with our beautiful quilt. Thank you again to Sherrie R., Joyce W. and Linda K. for all their hard work making it for us.

The final accounting will be done by Cheryl and Monica and a total will be available to the guild either at this meeting or at the Christmas meeting. Hats off to all of the guild members for making this show a success. Thank you all.

**Community Projects – Jeri B**

Just a reminder that the next Community Project Work Day is on December 13th.  
Brown/tan 9-patch surrounds are still the donor block until the first meeting in January.  
Many thanks to the donors of some backings. They will be VERY useful.

**Retreat – Doreen F.**

Committee is taking names for our next Sorrento retreat scheduled to start on March 14, 2018.
