Hi Everyone!

I know those of us at the Retreat had a blast, cold weather, ice clad cars and power outages notwithstanding! Thankfully there were those who were prepared and lent their scrapers and mitts to the rest of us (including yours truly) who refused to believe winter was coming! I saw many amazing projects being worked on.

For me, that is one of the draws of going to a retreat...the opportunity to see many different types and styles of quilts and quilting. I get to see things "outside of my box" and expand my personal horizons. It is also tailor made for getting input into design, quilting patterns, machine advice and trouble shooting and all manner of things from the collective minds and quilting experience of all who attended.

If you are on Facebook, have a look at Monette's Dragon Star quilt. It is simply incredible. The Spring Retreat will fill up fast, so get your name into the Retreat Committee soon! A reminder to bring your completed President's 9-by-9 Challenge quilt tops/finished quilts from last year to the last meeting in November for display. We will hold the draws from all the names submitted throughout the year, and one lucky participant will get a gift basket full of quilty goodies.

We have filled another program spot for early in the new year, but there are still many blanks in the program. Would any of you like to do a trunk show of your quilts? Let me know and I will schedule you in. See you all on Monday,

Row Robin - Monica

Just a reminder that we will be doing the first exchange of the Row Robin this week. Please have your own row completed along with any preferences or instructions that you would like to have passed on, you can be as specific as you wish. If you are including a specific fabric please make sure there is enough to complete your project as desired. It is best that you place your instructions and your Row in a bag or a box that can be easily passed on. See you on Monday, Monica

Sagebrush Quilters Guild Eblast for November 8, 2017

Round Robin – Julie O

Just a quick reminder, that the first trade off day for the round robins is the 13th of November at the guild meeting. If for any reason you are unable to attend please contact both the 'robin' handing off to you as well as the one you are to hand off to and make alternate arrangements for the transfer. It is going to be exciting seeing what we get to work on next!

Workshop

Nov. 18 workshop "Be My Valentine" with Dianne Janssen is still open to registration. Members \$35, non members \$45. Challenge yourself to work with curved pacing without fusible web!

Wednesday Quilt In

November 15 Audrey S.
November 22 Ann G
November 29 Cheryl D

Retreat

Sagebrush Fall Retreat at Sorrento was a success once again with 26 attendees. Despite a short power outage with the snowstorm, much Quilting was done and many stories shared.

Brenda Eckstein won the door prize from Thread and Paper and Val Berggren won the door prize from Fabricland. Looking forward to our next retreat March 14-18,2018.
