### President – Lorraine

Hi All,

Looking forward to our meeting on Monday. I am intrigued by the Korean Technique we will be learning about. Many thanks to Joy for arranging this exciting opportunity for us all. I hope you are all finding time to work on your projects. I took my sewing machine and set up in my hotel room last weekend, and plan to do the same next weekend.

With a little planning and a lot of pre-cutting I was able to complete a UFO (I think I hear Sandy cheering!), a couple of dog quilt tops and get some small squares ready for a bunch of half square triangles for yet another project. I plan on working on that project and another UFO next weekend. I can sit in the room, watch TV, drink some tea and get some quilting accomplished, all at the same time! That is my kind of multi-tasking! See you all on Monday,

Purchased initially to use as a decorator item, but my sewing room is a factory, not House and Garden Digest material! 1935 manual included. Seems in very good condition. Contact Jeri B

### **Give away – from Cheryl D.**

I am giving up my collection of denim jeans. I have been collecting for several years thinking I would make quilts. I have a large collection of full jeans, and a box of strips and squares, including various colours of denim.

If anyone in the guild wants these I will happily deliver. If you know someone who would be interested, please let me know.
