Hi All:

Sorry this E-blast is later than usual...remember to blame me and not Cheryl! I hope this new blast of winter finds you all tucked away someplace warm and doing something you love - whatever that is! I was able to finish 2 UFOs at the Quilt-To-You-Wilt last weekend, even though we finished early due to the weather. Many of the attendees were able to complete their clutch projects. Each one used a different fabric and they all looked fabulous. There was even some trading of fabric and hardware during the project. A quilt to you wilt day is a way to have some fun, get some advice, and socialize with other quilters without the expense or travel associated with a multi-day retreat. Please consider attending the next day, we would love to see you there! I hope you all have a safe driving weekend. See you on Monday night,

Lorraine

Special Exhibit's

We are pleased to announce that the Fibre Art Network (FAN) will provide a special exhibit for our upcoming quilt show in May 2018. This is a new travelling exhibit, entitled "From a Tiny Seed" and will be comprised of a number of entries 8.5" x 11" in size, submitted by members of the Fibre Art Network. The Fibre Art Network is a group of approximately 110 professional fibre artists from across western Canada, showcasing original creative fibre arts. Many have shown their work nationally and

internationally, so we are fortunate to be able to include this exhibit in our upcoming show. For further information on this very creative group, please visit their website at www.fibreartnetwork.com

We are also pleased to announce that the "Fabricators" will be showing a special exhibit at our upcoming Quilted Expression quilt show in May. The Fabricators are a local fibre art group of 14 members, originating out of the South Okanagan. This group which meets monthly, has been active for approximately 12 years, exhibiting a wide range of fibre art projects throughout the north and south Okanagan, Whistler, Sun Peaks and into Alberta. Many of the artists in this group are award winning artists, creating original projects using many different mediums, fibres and found objects. We are looking forward to hosting this local group once again at our tri-annual quilt show on May 5th and 6th.

If you are wanting more to do Downtown Penticton Association is hosting our quilt walk at businesses in Downtown Penticton. Take a stroll down Main Street and visit host stores. Also, on Saturday morning there is a Farmer's Market voted one of the best in BC and our Downtown Community Market starting as well!

Attached is a copy of our poster to share with your Guild. Hope to see you in May.
