From our leader, Doffy B

Well, we are truly on the doorstep of winter now that the clocks have gone back. The days are quickly becoming shorter and the garden has lost its charm due to the many days of rain we have been having. It is time to hunker down and get some quilting done. Many thanks to Lynda M for organizing and sending off our registrations for Kelowna's Gathering of the Guilds next April. Thanks also to Joy G. for organizing our upcoming workshop with Dianne J. on November 17th.

I'm sure that everyone had a great time at retreat. I know that 'what happens at retreat, stays at retreat' - but hopefully some of the projects that were done there will make an appearance.

Our meeting next Monday will be a 'bring your own hand work' night as it is a long weekend Monday. Also, the guild evening at Fabricland will be next Tuesday and should be a fun time. I've included the particulars below as a reminder.

Doffy B – "Live well, laugh often, love much"

Gathering of the Guilds - Lynda M

Thank you to everyone for getting the money in so fast. I sent our registration fee and list on October 30th. The registrar has told me that they will establish a "wait list" and so far, I do have 2 names on the list. If you would like to be included on that list, let me know. (lmackenzie@kamloopsinsurance.ca).

I have copied all the information we received about the event (including the donation block) and have given to Doffy for distribution at the Nov 12th meeting.

Thanks – Lynda

Workshop - Joy G

Supply lists, images and directions to TRU parking have been emailed to members who have registered for the Nov. 17 workshop with Dianne J. If you have not received them, please contact Joy G. This information will be at the next meeting. Late registrations may be possible.

November 26 Marnie F will introduce her workshop on Attic Windows for workshop April 27, 2019 Registration is open for Spring workshops.

At our Nov 12 meeting bring in your finished blocks for Quilts of Valour - we will pin them up to recognize those who have served to protect our freedoms.

Block Lotto Anyone? – Julie O

Please remember your lotto blocks for the November 12th meeting. The DECEMBER block is called Shooting Star and I would like to request a black background (any black) and brights for the corners. This is a dead easy but effective block and can be found on quilters' cache if you need a double check.

Web Page calendar – Julie O

If anyone wishes to have anything posted to the website calendar, please send the info to me and I will be 'on it' in a flash! Okay maybe as soon as possible.

Web Page Access

It has come to my attention that some folks trying to access the web page have been finding themselves on our long defunct page. Please note that the web address is www.sagebrushquiltersguild.ca. I hope that helps.

Sandy M. and I had a lesson from Pat M. on posting photos to the page. I took it too so I could be backup for Sandy if needed. Sandy is the go-to person re: photos as she is the one with the magic touch in photography at most of our events. Check out the gallery on site and see what we (okay- she!) have put up so far.

Community Projects – Joyce W & Cheryl D

We delivered 20 quilts to the cancer ward last week and were warmly greeted by Gloria, the Volunteer co-ordinator. She again expressed how the quilts we make touch the folks having chemo treatment. Thank you to each of you who are part of this project, whether donating supplies, or piecing and binding the quilts. We received a donation this week from Noeline Kerr, of a roll of batting and about 10 meters of blender fabrics. Just what we needed!

Consider joining us at Kamloops Seniors' Village on Saturday Nov 10th. We will have some kits available, or you can work on your own project. Please remember to sign in at the reception desk, and provide your vehicle license plate number. We will be meeting in the multipurpose room on the lower level. Bring your lunch, or you can enjoy a lunch made by KSV. Please order your lunch when you arrive, the cost is approximately \$10.00. Come for all day, 9am to 4pm or pop in for an hour or two.

Wednesday Nov 14th is sewing day at Katja's Quilt Shoppe. We will be meeting there from 9am to 4pm. Join us for all or part of the day. We will have kits available for you, if you wish one.
