From our leader, Doffy B

Happy 2019 everyone! It seems like forever since our meeting in December. Thanks again to everyone for contributing to the delicious dinner and also to Kendra for organizing and presenting the fun games. Lots of giggles all round watching friends using straws to pick up smarties, or suck up mini marshmallows!

We have lots of interesting evenings planned for the rest of the year and I will give you an overview at our upcoming meeting next Monday, January 14th. In the meanwhile, search your quilt room for those unfinished projects and join Sandy's UFO group. She sent out the particulars in an Eblast on January 1st - check it out.

Also, Julie's January block for the 'block lotto' went out in an Eblast on December 11/18. The block is called Goose Creek and, if you are participating, please bring your block(s) to the meeting on Monday night.

Looking forward to seeing you next Monday – "Live well, laugh often, love much"

Treasurer's report – Lynda M

Workshop announcements – Joy G

Prioritize your projects for Quilt Til You Wilt on Saturday, Feb 23 at the Japanese Cultural Centre from 9 am - 9 pm

April workshop update will be at the next meeting.

May Bucket Raffle – Julie O

As promised in September, we will hold a Bucket Raffle in May. For those who are unfamiliar with these, you bring any craft or quilting related items that you have "outgrown", in good condition, and we will group things together if necessary for display. You then buy a string of tickets (VERY cheaply priced) and distribute your tickets into the "bucket" in front of any groups you would like to have a chance to win. All money raised goes back to the guild and everyone gets a chance to clear out a bit and maybe score something they really like or would like to try.

I thought I would give you a long lead in so you can sort to your heart's content, fondle some of your items and feel very righteous when you are done. This event is always fun. See you all Monday.

Block Lotto Anyone? – Julie O

Please remember to bring your Lotto blocks on Monday as it is draw day. I will also have the February demo blocks there for display. I must say I have been very impressed with the response to this Lotto and

Community Projects – Joyce W & Cheryl D

We hope you have had a restful holiday season and are energized and ready to quilt your projects. We are grateful for all the quilts that you have sewn, fabric you have donated and the fun we have had along the way. We delivered another batch of quilts to the hospital this week and have been busy putting kits together for more quilts to be ready for delivery in the coming months. There were 11 ladies at Katja's this week working on some interesting projects....

Scrap Busting Blog – Judy N <http://superscrappy.blogspot.com/>

This blog hosts the Rainbow Scrap Challenge (RSC) which encourages quilters to use their scraps one color at a time. Each month a new color is announced and bloggers link up on Saturdays to show what they are creating. This year she is running a Tiny Tuesday Block quilt along. Lots of great ideas and lovely quilters eye candy!

Happy New Year 2019

Goose Creek

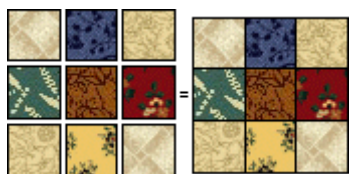

This makes a 12" block, and is another GREAT one for beginners...or anyone who wants to make a quilt in a hurry! :o)

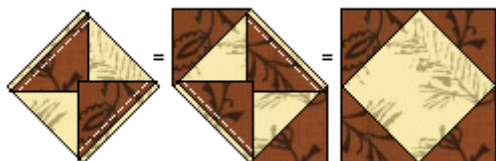

Think Scrappy!

Please abide by the [Terms and Conditions of use!](#) :o)

** Preparing the Pieces and Sewing the Block **

Start by sewing TWO nine patch blocks as shown at left, using all scant 1/4" seams. Press row seams in alternating directions. These should measure 6-1/2" when done, trim them if needed...

Now you have some choices! You can paper piece this section...[CLICK HERE](#) for the paper piecing template...or...you can cut the triangles using regular templates-[CLICK HERE](#) for regular templates... OR...you can cut the triangles from two 3-7/8" squares of "dark" fabric, and the center square is a 4-3/4" "light" square! Press seams towards outer triangles. This should measure 6-1/2". Trim back if needed...

Now just piece the block! Make rows, then sew the rows together, again using scant 1/4" seams. Press row seams in alternating directions. All Done! :o)
