#### **From our leader, Doffy B**

Hi everyone,

February is flying by quickly and before we know it winter will be over. Yeah! One good thing about winter is that there is more indoor time, which means more quilting time.

Thanks again to Joy G. for inviting Jan S. to our last guild meeting to give us a sneak preview of her upcoming workshop on April 28th. Jan's presentation of her 'scorched' work was very interesting and the samples she showed were inspiring. The class is filling up, so don't forget to see Joy G. if you want to join in the fun. I for one am really looking forward to learning the techniques Jan will be teaching at her workshop.

At our meeting next Monday, February 25th, Andrea S. will give us a short presentation about the 'Quilts of Valor' for 2019. The remainder of the meeting will be visiting time, so remember to bring some handwork.

Don't forget about the guild's QTYW this Saturday, February 23rd at the Japanese Cultural Centre.

"Live well, laugh often, love much"

#### **Workshop - Joy G**

THIS Saturday, February 23 is Quilt 'Til U Wilt Day at Japanese Cultural Centre from 9am - 9pm. Bring your new or unfinished projects, sewing machine & supplies, lunch, mug, snack to share and \$\$ for supper. Coffee and Tea is provided.

Jan Scruggs gave an excellent intro to her Scorched class to be held Sunday, April 28. Bring your cheque to register - REDUCED cost of \$50 ( \$35 for class fee and \$15 for kit fee) You will receive the supply list when you register and see that the kit has all the materials and more for what you need to complete this creative course-learning new techniques and completing a journal. See attachments for details.

#### **May Bucket Raffle – Julie O**

As promised in September, we will hold a Bucket Raffle in May. For those who are unfamiliar with these, you bring any craft or quilting related items that you have "outgrown", in good condition, and we will group things together if necessary for display. You then buy a string of tickets (VERY cheaply priced) and distribute your tickets into the "bucket" in front of any groups you would like to have a chance to win. All money raised goes back to the guild and everyone gets a chance to clear out a bit and maybe score something they really like or would like to try.

I thought I would give you a long lead in so you can sort to your heart's content, fondle some of your items and feel very righteous when you are done. This event is always fun. See you all Monday.

#### **Block Lotto Anyone? – Julie O**

The March block is called Buckeye Beauty and again can be found on quilters cache.

Could you please do the background in lights? I used a variety of darks and Medium/darks for the design elements. If you do not have a huge variety of colors please try to use at least three or four as it makes for an interesting block but more importantly, for a more interesting quilt for the lucky winner(s). Have fun with this. I can't wait to see the finished products as I will be away in March.

The time remains the same, 9:30am to 4pm. Come for the day, or an hour or two. Bring your sewing machines and sewing supplies. We will have kits available.

# Buckeye Beauty

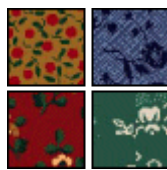

This makes a 12" block and is a circa 1929 pattern!

Please abide by the [Terms and Conditions of use!](#) :o)

Each block needs six different calicoes and two different cream/tans!

## \*\* Preparing the Pieces and Sewing the Block \*\*

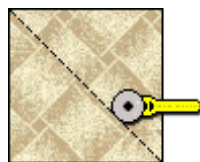

Each block will need four different 3-1/2" squares...

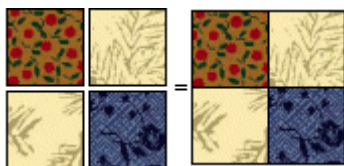

From two also different 6-7/8" squares cut half square triangles. You will need one of each color per block...

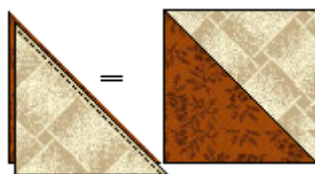

Mark and cut the Color 6 3-1/2" x 14" strip into four 3-1/2" squares...

Cut the Color 8 6-7/8" square in half once on the diagonal to make two half square triangles...

Sew the Color 7 and calico 3-1/2" squares together into four patches, using a scant 1/4" seam. Press all seams to darker sides. Trim this unit to measure 6-1/2" if needed. Make two units like this...( The other will have other calicos)

Sew the Color 8 and calico half square triangles together to make half squares, again using a scant 1/4" seam, and pressing to the dark side. Trim this unit to measure 6-1/2" if needed. Make two units like this...( The other will have another calico)

## Buckeye Beauty - Page 2

Now lay out the four units as shown at left. Sew two horizontal rows, pressing the row seams in alternating directions. Join the rows to make the Buckeye Beauty!

This quilt is four blocks by five, done in what I call a "Controlled Scrappy" palette. REAL Scrappy would be fine too! (When you would use any and all fabrics regardless of theme, etc) These are all Thimbleberries prints...so the "feel" of the fabrics is much the same :o)

Happy Quilting Folks!
