### From our leader, Doffy B

Hi everyone & Hello my quilting friends,

I'm beginning to feel like winter will never end! As I'm writing this note, the forecast is for 'snow' - goodness, I hope it is wrong. I'm sure there are many of you, like me, who are looking longingly at the snow covered garden and are just itching to get out and dig in the soil. Oh well, back to the task at hand...

Thank you to Andrea S. for presenting the 'Quilts of Valor' block at our last meeting. As Andrea mentioned, she won't be at our guild meetings for the next two months, so if anyone is interested in making any blocks, I will collect them and find a way for them to get to their destination.

We will have two guests, Linda King and Noeline Kerr, at our next guild meeting on Monday, March 11th. Linda and Noeline are well known in our quilting community and I know their presentation will be very interesting.

Please remember to bring your 'Buckeye Beauty' block for the block lotto draw next meeting. Sandy has kindly agreed to look after the draw this month while Julie is away in Hawaii practicing her hula dancing.

See you next Monday.

"Live well, laugh often, love much"

### **May Bucket Raffle – Julie O**

As promised in September, we will hold a Bucket Raffle in May. For those who are unfamiliar with these, you bring any craft or quilting related items that you have “outgrown”, in good condition, and we will group things together if necessary for display. You then buy a string of tickets (VERY cheaply priced) and distribute your tickets into the “bucket” in front of any groups you would like to have a chance to win. All money raised goes back to the guild and everyone gets a chance to clear out a bit and maybe score something they really like or would like to try.

I thought I would give you a long lead in so you can sort to your heart’s content, fondle some of your items and feel very righteous when you are done. This event is always fun. See you all Monday.

### **Block Lotto Anyone? – Julie O**

The March block is called Buckeye Beauty and again can be found on quilters cache. Would you please do the background in lights? I used a variety of darks and Medium/darks for the design elements. If you do not have a huge variety of colors please try to use at least three or four as it makes for an interesting block but more importantly, for a more interesting quilt for the lucky winner(s). Have fun with this. I can’t wait to see the finished products as I will be away in March.
