Kathleen Riggins Class Options

Full day=6 hours

1. **Machine Quilting Playdate** Half day. Intermediate to advanced quilters only
When is the last time you played with free motion just for the sake of it? Jump start your creativity in this fun class where we explore different aspects of free motion design and develop our own styles of quilting.
2. **Combining Designs in Modern Ways** Half Day.
Knowing some basic designs is one thing, but knowing how to combine them in interesting ways can open a whole new world of quilting - without having to learn new designs! Join Kathleen as she walks you through some of her favourite ways to combine designs, helping you create stunning quilts.
3. **Feathers for Modern Quilts** Half day.
Think feathers only belong on your grandmother's quilt? Think again! Despite their more traditional roots, feathers can be a great addition to modern quilts— you just might have to think about them a little differently! Kathleen shows you her favourite feather variations as well as modern uses for those feathers.
4. **A Cheaters Guide to Quilting** Half day
Also, Quilting For the Lazy. Learn Kathleen's go to designs, then learn her favorite variations to make it seem like you know ALL the quilting things. Gain confidence with some versatile designs that you can use again and again.
5. **Draw Like Kathleen** Half day.
Learn how Kathleen approaches choosing quilting designs, then practice drawing out designs to try out at home. We also discuss quilting on your UFO's.
6. **Using Rulers on your Domestic Machine** Half day.
Use your domestic machine to create professional looking quilting. Kathleen shares how to get perfect straight lines while in Free Motion mode on your sewing machine allowing you to easily stitch-in-the-ditch and create geometric quilting designs. Ruler foot and ruler required (can be purchased through Kathleen for most machines).
7. **Swirls Intensive** Half day.
Learn this particularly versatile design, then practice using it in different ways! Kathleen shows her favourite variations on the basic swirl so that by learning this one basic design, it opens up a huge variety of different designs for you to use.
8. **Easy Quilting, Stunning Quilts** . Full day.
Use a straight ruler and easy fills to create stunning modern quilting designs. Use the piecing in the quilt to find hidden shapes and lines, then simply fill them in for fantastic quilting! In this class you will use a cheater panel to practice the techniques we learn
9. **Invisible Block Sampler** Full day
Create a modern whole cloth sampler using only thread! Transform traditional blocks into quilting designs and use various fills, lines & threads to create a one of a kind sampler quilt..
10. **Quilting For The Crazy** Full Day
Sometimes spending that little bit of extra time on a quilt can really make it special. Mark lines & shapes to create stunning negative spaces may be time consuming, but it's not particularly difficult
11. **Designs for Lines (And Other Shapes That Don't Rhyme)** Full day
Learn Kathleen's go-to designs for the shapes she finds in quilts the most often. Learn designs for lines, designs for squares, designs for triangles & designs for odd shapes. Use these easy-to-quilt designs in your quilts to easily create beautiful quilting..
12. **Making Shapes** Full day.
Not sure where to start when faced with a large area of negative space? Make shapes! Kathleen walks you through this easy process to create stunning negative spaces. Choose from two choices - use a practice sandwich of plain fabric, or follow the easy pattern provided to create a quilt perfect for this technique before class.
13. **Machine Quilting Playdate** Intermediate to advanced quilters only, Full Day
When is the last time you played with free motion just for the sake of it? Jump start your creativity in this fun class where we explore different aspects of free motion design and develop our own styles of quilting.

Kathleen Riggins Workshops

106M - Swirls Intensive - Handi Quilter Longarm - THIS CLASS IS FULL

Workshop Difficulty: Confident Beginner

Workshop Length: 3 hours

Location: Vancouver Convention Centre Room: 101/102

Day & Time: Thursday May 31 (8:30-11:30 am)

Workshop Fee: \$80

Learn this particularly versatile design, then practice using it in different ways! Kathleen shows her favourite variations on the basic swirl so that by learning this one easy design, it opens up a huge variety of different designs for you to use.

106A - Using Rulers - Handi Quilter Longarm - THIS CLASS IS FULL

Workshop Difficulty: Confident Beginner

Workshop Length: 3 Hours

Location: Vancouver Convention Centre Room: 101/102

Day & Time: Thursday May 31 (1-4 pm)

Workshop Fee: \$80

Kathleen shares how to get perfect straight lines and geometric designs using rulers and markings while using a long arm quilting machine. Many techniques can be transferred to stationary machines, and Kathleen is happy to provide tips to domestic machine quilters in this

longarm class. This class is aimed at those with little to no ruler work experience, and no longarm quilting experience is required.

206M - Feathers for Modern Quilts - Handi Quilter Longarm -

Workshop Difficulty: Confident Beginner

Workshop Length: 3 hours

Location: Vancouver Convention Centre Room: 101/102

Day & Time: Friday June 1 (8:30-11:30)

Workshop Fee: \$80

Think feathers only belong on your grandmother's quilt? Think again! Despite their more traditional roots, feathers can be a great addition to modern quilts— you just might have to think about them a little differently! Kathleen shows you her favourite feather variations as well as modern uses for those feathers. Great for those who have never stitched a feather before, or who are looking for new ways to use a favourite design.

206A - How Do I Quilt This? (Making Shapes) - Handi Quilter Longarm -

Workshop Difficulty: Confident Beginner

Workshop Length: 3 hours

Location: Vancouver Convention Centre

Room: 101/102

Day & Time: Friday June 1 (1-4)

Workshop Fee: \$80

Not sure where to start when looking at a quilt and trying to decide how to quilt it? Kathleen walks you step by step through her process, and lets you practice some of her techniques on your sample fabric as well as printed quilt images. Bring quilt tops or printed photos of your quilt top, and Kathleen will help you come up with a

quilting plan. This fun class includes a lot of group sharing and discussion that will leave you inspired and ready to tackle all your quilt tops!

306M - Combining Designs in Modern Ways - Handi Quilter Longarm -

Workshop Difficulty: Confident Beginner

Workshop Length: 3 Hours

Location: Vancouver Convention Centre Room: 101/102

Day & Time: Saturday June 2 (8:30 - 11:30 am)

Workshop Fee: \$80

Knowing some basic designs is one thing, but knowing how to combine them in interesting ways can open a whole new world of quilting – without having to learn new designs! Join Kathleen as she walks you through some of her favourite ways to combine designs, helping you create stunning quilts.
