### From our leader, Doffy B

Hello my quilting friends,

What a difference a day makes! Yesterday there were snowflakes fluttering outside our window, and today the sun is shining and the sky is almost cloudless. Let's hope that we get a few more weeks of nice weather before winter threatens again!

Many of you many have heard about the wonderful machine quilting workshop we had with Kathleen Riggins last weekend. Kathleen is a super teacher, full of fun and energy. The trunk show on Friday night before the workshops, served to whet everyone's interest for what was to unfold of the following two days. Accolades once again to Joy G. for all of the work that she went to over the past year to organize this fabulous experience.

I have confirmed with Dianne J. regarding her upcoming workshop on November 16th. We will be offering the 30/60 pattern and will be taking registrations at next Monday's meeting.

Our next meeting is this coming Monday, October 14th. Brenda E. will give us a demonstration of how to put blocks together for 3D effect- Hollow Block cube. Please remember to bring your entry for the 'block lotto' - the pattern this month is Blazing Arrows and needs to be made using black and white.

Don't forget, there is a KSV quilting day this Saturday, October 12th and a QTYW the following Saturday (October 19th) at the Japanese Cultural Centre. My goodness, we are a fun and busy group

Hope to see many of you next Monday.  
Happy Thanksgiving

### Workshop – Joy G

Quilt 'til U Wilt days at the Kamloops Japanese Cultural Centre will be on October 19, 2019 and February 22, 2020

Workshop with Dianne Jansson on November 16 will be announced at the next meeting.

### Block Lotto Anyone? – Julie O

Please remember to bring your blocks in for a chance to WIN, WIN, WIN! This block is going to make up into a very striking looking quilt top. The information for the November block will come out right after our upcoming meeting and I will have examples as usual for you to see. Looking forward to seeing you all.

#### **Hospitality – Esther T**

#### **Program – Judy N**

Thank you to everyone who completed the program questionnaire from our first meeting. Trunk shows, demos and speakers seemed to be the common suggestions.

If anyone would like to volunteer to do a trunk show of their work, please let us know!

Fellow guild member Brenda E will be giving us a demonstration of making 3D blocks and explaining how she made her wonderful "Hollow Block" quilt at our next meeting.

Please remember to bring back your produce bags if you took supplies at the last meeting.

**Webmaster** – Some of you may know that I sold my house at Sun Peaks and am working on my retirement plan in Victoria sometime in the spring of 2020. Therefore, we need to have someone step to fill the Webmaster Position along with Julie & Sandy. WordPress is easy to learn and use. If you're interested, watch some YouTube videos. Let us know if you're interested in learning more. Hope to see you at the next meeting. Cheers Pat M

#### **Web Page calendar – Julie O**

I am responsible for keeping up the calendar of events for the web page. If you have information to put up please let me know. Sandy M puts on the photos and Pat M takes care of most of the rest. Please do not hesitate to approach any of us with questions or comments concerning the web page

**Webpages** – Sandy M has been hard at work organizing and adding lots of photos to our webpage, have a look,, and any suggestions of other additions or changes to add, please email Sandy, Pat or Julie!

#### **Retreat – Doreen F**

Sorrento Fall Retreat October 30 – November 3, 2019

#### **Sew Day at Kamloops Seniors' Village – Sandy M**

We had a wonderful turnout for our September day. I posted a reminder on our Facebook page, and some ladies saw that and thought, I should go... so we had a great day together! The next date for KSV is October 12, so please mark your calendars and come!

Facebook - I looked at our page and saw something that should be noted. We only have 26 members on that page, and I don't think that everyone knows about it! So, if you are a member of Sagebrush Quilters' Guild, look it up and ask to join the group!

Happy Quilting Everyone!!

The following are the other dates booked so far! November 9 and Dec 14! Please mark your calendar!!! The day is fun, so please come!!

Thank you to all of you who participate in Community Projects for the RIH cancer patients. We delivered 20 quilts this week to the hospital, and the volunteer coordinator thanked us and reiterated how much the patients appreciate the quilts that they receive.

There were eight sewers at Katja's Quilt shop on Wednesday this week. We laughed a lot and enjoyed being together to work on various projects.

Larry's wall is complete and he is now back to quilting quilts. He has completed about 5 quilts in the past week. Thank you for your patience as he works through the queue of quilts. We will have your quilts back to you as soon as we can for the binding.

Hope to see you at KSV on Saturday. We will have kits available for you or you can work on your own project.
