

B Line Studio Model Quilting Frame for Sale - \$600

This wooden frame is easy to set up and is designed to work with your standard sewing machine or smaller long arm.

This frame can be assembled in four different widths (5', 7', 10', 12'). Pictures are of the 10' width. This frame comes complete with all original bars, instructions, fasteners and extension pieces. Reinforcing bars as well as two new, one piece heavier duty 10' bars are also included. This frame has been recently sanded and freshly varnished to ensure smooth operation.

This is a great frame for someone wishing to get started with free motion quilting.
