Introduction of Executive members and committee chairpersons

President-Sue O

Vice President- Monica W

Secretary- Judy N

Treasurer- Lynda M

Membership – Sandy M

Retreat –Doreen F

Program-Doffy B and Marie A

Library- Loretta B

Community Quilts- Cheryl D

Community Quilts-Cheryl-

Brief explanation of purpose of community quilts provided for our new members. 60 quilts were delivered to the hospital over the summer. Larry has quilted 1400 quilts! - Huge thank you to Larry!

Kits are available to pick up tonight, Community quilt day at Katja's is the second Wednesday of each month from 10-4 pm.

Cheryl read a few thank you cards, free books on the back table for members to take, these are from Joyces' quilt room.

Julie O.-Before Covid the guild did several types of exchanges. She explained the difference between a Round Robin, a Row Robin and a block exchange. She said she would be willing to facilitate one or 2 exchanges. Show of hands indicated interest in block exchange. Julie asked members to give her their name and email address- she will send an email to guild members regarding this.

Question was asked to Julie about block lotto. Many members expressed interest in participating. Julie and Brenda will choose blocks and make samples. Members will be sent patterns to make the blocks, each block made is one entry in the block lotto. Winner gets all the blocks, if there are enough blocks then there could be more than one winner.

Julie announced that a bucket raffle will be held on October 24. Members should go thru their quilt rooms and bring in items on that night that they no longer want, ie notions, threads, fabrics, books, patterns etc. These items will be grouped in lots and members can purchase tickets to bid on the lots that they would like to win. This is great fun and a good fundraiser for the guild.

Brenda- Asked about interest in resuming Wednesday morning quilt ins at members houses. There did not seem to be much interest in resuming these currently.

Show and Tell

Break for visiting

Program-Doffy - program has a large committee this year. Fabricland will host a guild night on Oct 18th. The store will be open in the evening for Sagebrush Quilters guild members only. There will be special sales and prizes. Doffy will provide more information as the date gets closer.

The program committee has purchased a projector, Marie did much research and was able to get a great deal on it from London Drugs. This will be used for Youtube videos, demonstrations, workshops and much more.

Doffy had an ice breaker activity for the group. Members interviewed each other and several people introduced their partners to the group.

Note: We are responsible for setting up tables and chairs at the beginning of the night – it would be helpful if a few people can arrive early (6:30pm) to assist in set up and if possible, members help to put away the tables and chairs at the end of the evening.

Meeting adjourned at 8:45pm
