From our leader, Sue O

I hope everyone is doing well after the blast of snow and cold! The roads should be better by Monday's meeting, [November 14](#). The meeting will start as usual at 7:00 pm but please think about arriving earlier to help set up tables and chairs.

On [Wednesday, November 2](#), while sewing at Katja's, there was a great discussion about helping all of us to get to know each other better. For [Monday's](#) meeting I really encourage everyone to proudly wear their membership pin. We will be randomly choosing names from the sign-in sheet. When your name is called, please stand up so everyone can see you. And then we will ask a few questions such as name, how long you have been quilting, and so forth. I know that speaking in front of a group is scary but lets have some fun as we get to know each other.

I was also reminded that one of the reasons that Show and Tell was put just before the break was so that we could talk to the quilter and actually get up close to the quilt that had just been shown. [This Monday](#) there will be a table set up at the back of the room where you can go with the quilt that you have just shown and wait with it. When all the quilts have been shown and we break for chat, people can join you and talk with you about your quilts. Even community quilts as the newer members could use to see how the kits provided turn out.

Workshop – Monica W

The fall Quilt to You Wilt is booked for [Saturday, December 3](#) from 9:00am - 9:00pm at the Japanese Cultural Center (160 Vernon Ave.). Bring your machine, sewing supplies, project to work on, shareable wrapped “snack” item, bagged lunch and COFFEE MUG . We will decide at a later date as to whether we have a pot luck dinner or perhaps go out to a nearby restaurant for dinner. Ironing boards, irons, coffee and tea will be supplied by the guild. For more information contact Monica at 250-377-8904 or northwatsons@telus.net. This is a great way to meet fellow guild members and also get a project or two completed. See you there.

[Christmas](#) is coming!! I will put the [Christmas](#) books out. Maybe you can find some inspiration for a gift or two.

Community Projects – Cheryl D

The members of the Guild continue to provide quilts for the RIH chemo patients by donating supplies, tops or completed quilts. Through the generosity and creativity of our members, we are able to meet our goal.

We are grateful for all the donations, both large and small.... fabric, thread, batting. Thank you to all who have donated your time and talents, supplies and cash.

The community quilts sewing days at Katja's Quilt Shoppe (on the [second Wednesday](#) of each month) give an opportunity for members to gather to sew.

The guild members have really embraced the sewing of the kits that are provided. Thank you all for your generous gifts of completed quilts, fabric, thread, batting and your time. We are grateful for your continued participation and enthusiasm.

Block Lotto – Julie O

The block for the [November 28th](#) meeting is called Carrie Nation and can be found on Quilterscache. I will bring the samples to the meeting on the 14th for you to see again. Have fun.
