I got an email from a member that lost their name tag and wants to order a new one. I will be putting an order in soon and if you need one, please email me as soon as possible!

They were \$12 for a pin back one and \$15 for a magnet backed one, plus tax, but the price will increase with my next order by a couple dollars, so I'll order it and see what price we have to pay!

Please let me know if you want a pin back or magnet back when you order it!

I also have name tags already made for most of the new members, please come to a meeting and get it, I also have pins to add to your name tag, they are \$6 each!

Looking forward to seeing more of all of you at our meetings. If you don't remember where or when it is, please email me, and I can help you!

Happy Quilting

The members of the Guild continue to provide quilts for the RIH chemo patients by donating supplies, tops or completed quilts. Through the generosity and creativity of our members, we are able to meet our goal.

We are grateful for all the donations, both large and small.... fabric, thread, batting. Thank you to all who have donated your time and talents, supplies and cash.

The community quilts sewing days at Katja's Quilt Shoppe (on the [second Wednesday](#) of each month) give an opportunity for members to gather to sew.

The guild members have really embraced the sewing of the kits that are provided. Thank you all for your generous gifts of completed quilts, fabric, thread, batting and your time. We are grateful for your continued participation and enthusiasm.

Thank you to Andrea Schafthuizen who is taking on the responsibility of collecting and distributing the finished quilts to RIH. Your cheerful enthusiasm is so appreciated.

#### **Block Lotto – Julie O**

Please remember that this is Block Lotto night so bring your blocks in, enter your name once for each block you bring in and take a chance on winning a bunch of them. If you are unable to attend in person it is quite acceptable to send your blocks in with a friend.

I will bring samples of the December block as well. That will be a short turn around so I have chosen a VERY easy block. We have done it before and it was very popular. I believe we had enough blocks for two complete quilt tops.

Looking forward to seeing you all.
