'Heads Up' - Program for [January 23rd](#)

As you will have read in the minutes from the meeting on [January 9th](#), we will be playing 'Strip Poker' at the [January 23rd](#) meeting. Some members may remember this game from a meeting a few years ago...for those who haven't played it before, here is what you will need to bring to the meeting:

**4 strips of fabric**

**length = 42" (selvage to selvage)**

**width = 2.5"**

**colour = neutrals (ie. black, grey, white, cream or fabric with combination of them)**

**Note: You can bring all of one neutral or any combination of the neutrals...just make sure you have 4 strips**

Hope to see you there!

**HELP WANTED** : Your program committee is looking for three or four guild members willing to help with projection programs at guild meetings. The executive is asking for programs every meeting night so we especially need folks to help on the first meeting of the month. Leslie W. has volunteered but we need a few more folks. You will need to have a laptop computer that you can bring to each meeting. It is hoped that there will be training for you. If you are interested please contact Marie Allen at [trout.chaser@shaw.ca](mailto:trout.chaser@shaw.ca).

For membership, we have 75 members, which includes our 4 Honorary Members, and 15 new members! Plus some former members who have come back and rejoined us! Welcome to all of you!!

For our new members, I've been getting your name tags, and some of you haven't been to a guild meeting to collect them! I know of one of you that are away for the winter, but I'm sure others are in town and can hopefully get to a meeting soon!!

When you come, please let me know it's your first time, and I'll find someone for you to sit with and enjoy the meeting,, you will soon make new friends to enjoy!

### **Library – Loretta B**

### **Community Projects – Cheryl D**

Thank you all for your generous gifts of completed quilts, fabric, thread, batting and your time. We are grateful for your continued participation and enthusiasm.

Larry is taking a sabbatical from quilting quilts for the months of January and February. We encourage you to take this opportunity to work on your own personal projects.

### **Block Lotto – Julie O**

The January block for the block lotto is called Patience Corners and is from quilterscache. Would you do it in white and any medium to dark blue please? This one looks better all in the same color family and I have chosen blues please.

### **Block exchange – Julie O**

Hello all you Lotto lovers! This meeting is Block Lotto night so please remember to bring your blocks in for a chance at a big win! Okay maybe just a little win. Not the kind you can retire on.
