Saturday Zoom meetings Sandy M-Attendees have needed to turn on their audio and video at the start of each meeting when they join the group. Sandy checked into this and learned that it is a privacy setting thru Zoom. You must turn on your own audio/video settings this is not something that Sandy as the host can control.

Community Quilts Cheryl D-Community quilt sew day at Katja’s on Wednesday January 11, 2023, 10 am – 4pm. Kits will be available on Wednesday. Andrea S will take 30 quilts to the hospital this week.

Andrea has a large stock of community quilts for the hospital when they are needed, because of this Larry will be taking a break from quilting community quilts for several months. Members can still get kits from Cheryl. If you have given Cheryl a flimsy to be quilted recently, please expect that you will not get this returned until Larry has resumed quilting after his break.

Show and Tell

Group activity Monica W.- After a break for visiting Monica asked a series of questions to get everyone thinking about where they go to get quilting ideas, advice or information.

1. What is your favourite web site?
2. What is your favourite book that you resource?
3. What is your favourite You Tube watch?
4. Where do you go to if you need help with your quilting?
5. What is your favourite way of learning?

Someone from each table reviewed the group answers to these questions. A resource sheet has been compiled with links to many quilting resources. It will be sent with the minutes.

Meeting adjourned at 8:15pm
