Program

### **Program – Doffy B / Marie A**

We hope to see many members at our next meeting on [February 27th](#) when Andrea S. will be giving a presentation on 'Walking Foot Quilting.'

**HELP WANTED:** Your program committee is looking for three or four guild members willing to help with projection programs at guild meetings. The executive is asking for programs every meeting night so we especially need folks to help on the first meeting of the month. Leslie W. has volunteered but we need a few more folks. You will need to have a laptop computer that you can bring to each meeting. It is hoped that there will be training for you. If you are interested please contact Marie A at [trout.chaser@shaw.ca](mailto:trout.chaser@shaw.ca).

### **Workshop – Monica W**

The spring Quilt Till You Wilt is set for [Saturday, March 11](#) from 9:00am - 9:00 pm at the Japanese Cultural Center. Contact Monica W. for more info.

There will once again be coffee and tea available at our meetings. As requested the coffee will be decaf! Please remember to bring your mug. A light snack/ baking may also be provided based on members volunteering to bring suitable items.

Thank you all for your generous gifts of completed quilts, fabric, batting and your time. We are grateful for your continued participation and enthusiasm.

Larry is taking a sabbatical from quilting quilts for the months of January and February. We encourage you to take this opportunity to work on your own personal projects.

### **Block Lotto – Julie O**

February's block is Sunlight and Shadows and is in the Browns and Yellow color families. Please remember to bring your blocks in for a chance to win a bunch of blocks. I look forward to seeing the assortment this month.
