**Julie O-** Thank you to Monica for organizing the quilt till you wilt days and bringing the irons, ironing boards and coffee/ tea supplies. It is much appreciated.

**Lorraine B.-** Talked about renting Heffley hall for quilting days. She thinks we could rent the hall for a good rate. Please let Lorraine know if you would be interested in having a sew day there. It is about a 20-minute drive from Halston/Paul Lake Road to Heffley hall.

**Community Quilts Chery D.** Committee has an abundance of finished quilts on hand. Please continue to work on your own projects.

**Mary A-** Fabricland store manager, Billie has offered to host another shopping night for us. She is thinking it would be at the end of April or beginning of May. She needs some lead time to approach suppliers for giveaways. Show of hands showed almost everyone in attendance would be interested in a shopping night.

Show and Tell and Coffee/Tea break.

**Program Geri-Lou A** Theme was thrift store or other “finds. Julie O read her article about “roadkill” quilting using found fabric. The article was published in CQA magazine in 2000. A few members showed quilts that they had found or inherited. Very interesting theme.

Meeting adjourned at 8:25pm
