From our leader, Sue O

Hello, fellow quilters.
It's time for information about our next meeting.

The [sun](#) is shining and the snow is melting... at least it is here in Kamloops. Soon daylight savings starts so we can drive to the meeting in daylight.

My Snoopy has recovered from her problems. Thank you so much, Monica, for picking up the duties of president and hosting, from what I heard, an amazing meeting. Thanks to Andrea S. for her lesson. Now on to our next meeting.

“Found It!” Show. Have you ever found or bought a quilted treasure at a second hand store or garage sale? Please bring your found treasures to show at our next guild meeting on [March 13th](#).

See you there

HELP WANTED: Your program committee is looking for three or four guild members willing to help with projection programs at guild meetings. The executive is asking for programs every meeting night so we especially need folks to help on the first meeting of the month. Leslie W. has volunteered but we need a few more folks. You will need to have a laptop computer that you can bring to each meeting. It is hoped that there will be training for you. If you are interested please contact Marie A at trout.chaser@shaw.ca.

Workshop – Monica W

Our spring Quilt Till You Wilt is happening [this Saturday, March 11](#) from 9:00 am - 9:00 pm. at the Japanese Cultural Centre 160 Vernon Ave.

Ironing boards and irons will be provided but attendees are required to bring their own sewing machines, supplies and projects.

Members are also responsible for their own food for the day, we have use of refrigeration but no cooking surface or cutlery etc.

The guild coffee/ tea items will be available. If attendees wish they can bring a shareable “snack” type item to contribute to this table. Please remember to bring your own mug.

This is a guild supported event thus no cost to members who wish to attend.

This is a great opportunity for members to get help with projects, finish projects and also meet other guild members so come out for the day or just drop in to say hello , it will be great to see you. Looking forward to a fun day.

Thank you all for your generous gifts of completed quilts, fabric, batting and your time. We are grateful for your continued participation and enthusiasm.

Larry is still on a sabbatical from quilting quilts. We encourage you to take this opportunity to work on your own personal projects.

Block Lotto – Julie O

I will have samples of the March block at the meeting. This month's pattern is called Prairie Queen and can be found on Quilterscache. Please make the background light (Cream, off white or very light tan) and try to have one of your fabric choices floral. Any color family is fine as this can be a scrappy quilt. Have fun and I look forward to the variety we will see.

Block exchange – Julie O

This is the first meeting of the month therefore it is exchange time. Please make alternate arrangements for the transfer if you are unable to attend the meeting.

Happy St Patrick's Day!
